LUCIA MAR UNIFIED SCHOOL DISTRICT BOARD OF EDUCATION

The 2006-2007 San Luis Obispo Grand Jury has issued another in a series of reports, this one relates to the Lucia Mar Unified School District (LMUSD) Board of Education.

The Grand Jury reviewed the events following the February 20, 2007, special closed session of the LMUSD Board when two principals were told they would not be allowed to keep their positions in their respective schools. The report focuses on the damage inflicted on the community because of the Board's lack of transparency and refusal to tell the community exactly what happened during the closed session of February 20, 2007, even though it is in their power to do so.

A full transcript of this report is available at <http://www.slocourts.net/grandjury//>. The website also provides background information about the Grand Jury and describes how to apply for Grand Jury membership, as well as how to submit complaints regarding county issues using the "Grand Jury Complaint Form".
